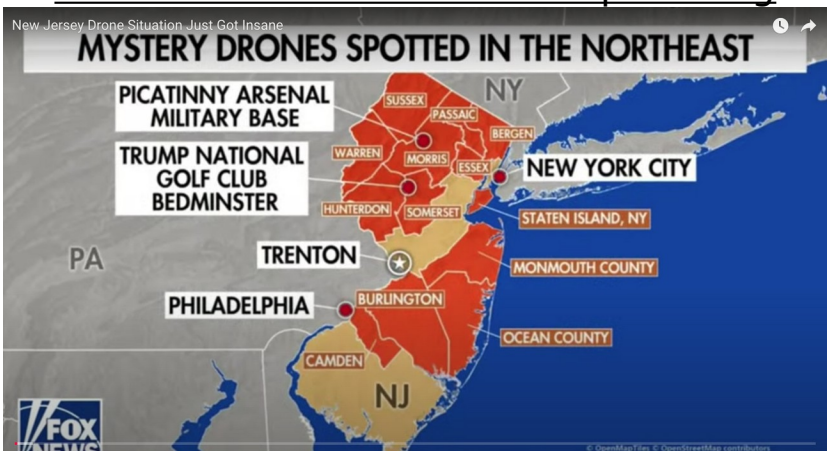
PROPHETIC LOCUS (DRONE) WARNING MAY BE FOCUST ON THE ASHKENAZI ZIONIST AND SEMITIC JUDAH JEWS WHO CAME FROM KHAZARIA, ISRAEL AND JEDDAH SAUDIA ARABIA

DRONES MAY BE A DEEP STATE WARNING

Drones can do more than crop dusting



In prophetic literature, particularly in the Bible, a "locust warning" signifies a coming period of devastation and judgment from God, often representing a large-scale destruction that will consume everything in its path, usually used as a metaphor to warn people to repent and return to God before such calamity strikes; the most prominent example is found in the Book of Joel, where a locust plague is described as a sign of divine wrath against the people of Judah for their sins.

New York City has the largest Jewish population in the United States, with an estimated 1.9 million people. The New York metropolitan area, which includes Newark and Jersey City, has the largest percentage of Jewish people in the country, at 9.98%.

Most Jews in the U.S. are AshkeNAZI ZIONISTS that have been associated with Nazism. They would be associated with the Nordic Aryan Alien "Fallen Watchers" and their Gray alien counterparts who may be WARNING and punishing the Ashkenazi Zionist leaders in America for failing to install the New World Order. SOMETHING TO THINK ABOUT!

The majority of Jewish people in the United States live in just a few states: New York, California, Florida, New Jersey, and Pennsylvania. These five states account for about 59% of the Jewish population in the country.

The United States has been a center of Jewish immigration since the 19th century, when Jewish people left Europe to escape persecution.

Revelation 2:9

9 I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.

The Khazars are not Jews, but they do practice Judaism. Like the Jews, their Babylonian Talmud and Kabbalah are satanic books which they insist are greater than the Torah and the Holy Bible. These heinous texts brand Jesus a magician, liar, and a bastard burning in hell today. These texts admonish Jews to *"kill the best of the Christians"* who, it is claimed, are idolaters.

Are the hybrid bloodline of the Nordics and the Synagogue of Satan

Modern-day Khazars in Israel falsely claim right to the land.

They are called "Fake Jews" Turks that bread with Europeans and the bloodline of Cain to become the DEEP STATE ASM'S today known also as the CABAL, the Thirtheenth Tribe, etc.

Semitic people - Wikipedia

Where did the Turks originally come from?

The ancient Turks were nomadic peoples who lived near the Altai Mountains bordering modern-day Russia, Mongolia, and Kazakhstan in the sixth century. By the eighth century, Muslim forces from the Arabian Peninsula had formed a massive empire and were pushing steadily into the region.

This HYBRID BLOODLINE became the DEEP STATES CABAL that may be behind the DRONES today flying over Jewish Zionist territories to warn and terrify their associates using prophecy and symbolism's which they use continually to communicate their agenda's and ideologies. They may be bringing us the "Locus from the Bottomless Pit" aka drones and helicopters.

KHAZARS
• You will find that approximately 85 - 90% of people in the world today who call themselves Jews are actually Khazars, or as they like to be known, Ashkenazi Jews.
• These people knowingly lie to the world with their claims that the land of Israel is theirs by birthright, when in actual fact their real homeland is over 800 miles away in Georgia.

The Semitic Jews were originally from Jeddah Saudi Arabia. They were the Semite Jews who migrated into Judah. They worshipped an alien god they called Yahweh Ildabaoth the Demiurge aka YHWH or Yahweh. Some of the Jews bred with the Turks in Khazaria and they became the Ashkenazi Khazarian Zionists who started the Nazi Party in Germany. Most of these Semites, Jews and Zionists live in drone zones today. Prophecy tells us at in the End of the Ages period that we seem to be living in today the BAD GUYS are GOING DOWN. The Khazarian Zionists are the DEEP STATE TODAY that operate under the orders of their alien gods, who appear to be the Nordic "Fallen Watchers aka Satan's minions while the Jews worship YHWH.

CHRISTIANS ARE CLUELESS TO THE FACT THAT THE JEWISH GOD THEY WORSHIP AKA THE GOD OF THE JEWISH BIBLE, IS AN ALIEN BEING NOT OUR HEAVENLY FATHER, ADDING THE JEWISH OLD TESTAMENT TO THE ROMAN CHRISTIAN BIBLES IS A JEWSIH DECEPTION

John Wright

(יהוה) = YAH = YAHWEH is not the MOST HIGH & MOST HOLY GOD of the Bible. It's staring Christians right in the face that (יהוה) = YAH = YAHWEH is the moon god of the Jews not GOD the FATHER & CREATOR of the GODHEAD of JESUS. (Colossians 2:9).

DRONES ARE BANNED IN THE UAE AFTER A DEADLY DRONE ATTACK

https://interestingengineering.com/drones-are-banned-in-the-uae-following-a-drone-attack-that-killed-three?utm_source=newsletter&utm_medium=mailing&utm_campaign=Newsletter-26-01-2022

Chris Young

A growing number of countries are banning the use of commercial drones amid concerns that they can be relatively easily converted into killing machines.

The United Arab Emirates joined that list over the weekend by announcing a nationwide ban on the use of consumer drones, barring exemptions, a report from The Verge reveals.

The country's Ministry of Interior made the announcement on Saturday, Jan. 22, a week after an oil facility and airport in the UAE's capital, Abu Dhabi, were targeted by a drone attack that resulted in the death of three people.

'Explosive-laden drones'

According to *AP News*, which attributed the attack to Yemen's Houthi rebels, the attack involved "ballistic missiles and explosive-laden drones." Though the ministry's statement didn't directly mention the drone attack, it did mention "misuse spotted recently," and the need to "ensure the safety of lives and property."

Though the *AP News* report doesn't mention the exact model of drone used in the attacks, it wouldn't be the first time the Houthi rebel group has used small drones in an attack in recent years in Arab nations, including the UAE and Saudi Arabia.

The UAE hopes to better control the situation by banning the use of such drones and reserving the right to down any on sight if they are not authorized with a permit for work or filming. The UAE is joined by a number of other countries in banning the use of commercial drones, including Cuba, Iraq, Iran, and Morocco.

The danger of drones and killer robots

In recent months and years, there has been increasing concern over the dangers of drones and robotics technology that can be utilized to cause harm from remote locations. Due to these concerns, some firms are developing technologies to easily take drones out of the sky. Fortem Technologies, for example, announced it is developing the DroneHunter, a drone that captures and incapacitates other drones using a net. Drone jamming technologies are also effective against the machines, and they have been used to sabotage drone displays in some countries.

It's not just drones that are causing concern. A bipedal robot strapped with a sniper rifle on its back, for example, sparked indignation last year on social media. It is one of many technologies that have led to petitions calling for a global ban on killer robots. In 2015, experts including Elon Musk, Noam Chomsky, and Stephen Hawking signed an open letter urging the United Nations to ban such machines, highlighting the claim that the majority of AI researchers "have no interest in building AI weapons."
